

Revised timing on mobile library routes

The Orwell Mobile Library 1 (Route 11) which serves Framsdén has slightly altered timings with effect from 9 September 2010. It will continue to call on alternate Thursdays but will now visit as follows:

- The Doberman Pub 1.35-1.50pm
- Peat's Corner 1.55-2.05pm

Contact the mobile library on 07721 879853. Visit the library for all the facilities of a branch library, including ordering of books, CDs, DVDs etc, return of any borrowed items and collection of items ordered from the mobile library, other branch libraries or from your home internet connection.

Revised Bus Services

From 31st August 2010 the 118/119 bus service will operate on a new timetable. All Saturday journeys to and from Ipswich will terminate at Framlingham. There don't appear to be any changes to times at Framsdén, but check on the new timetable first for other times.

Revised Area Bus Leaflets will be available at the usual outlets. You can find the current bus times and see maps of their routes at www.travelineeastanglia.org.uk (or call Traveline on 0871 200 2233) and download Area Bus Leaflets from www.suffolkonboard.com.

For the website: Current and new Area Bus Leaflets are attached, and also the current 118/119 timetable.
